A little bit about our facility…

When parents visit our school, they frequently comment on our bright, cheery spaces. The church building offers a 2-story education wing with spacious play areas for developing both large and small motor skills, a large arts & crafts room, and a reading/music room.

We are located a short distance from Jamesville Elementary School at 6300 East Seneca Turnpike, not far from the heart of this quiet, historic hamlet.

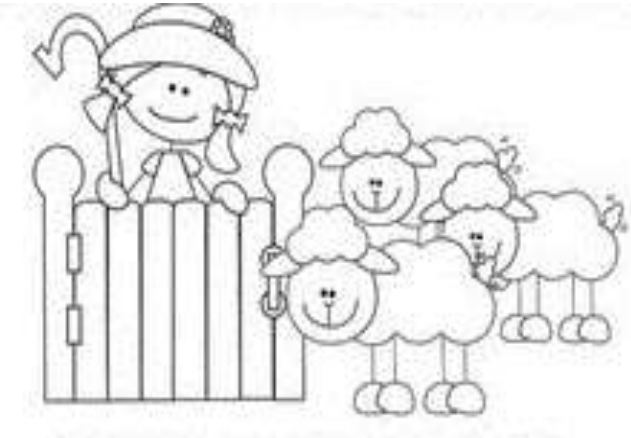
Bo-Peep Preschool

2026-2027



An early education program serving 3- and 4-year-olds in Jamesville and the neighboring communities for 59 years and counting…

Our Mission

Bo-Peep Preschool is an early education program committed to nurturing the growth and development of 3- and 4-year-old children. We provide a safe and supportive environment where children can learn and explore through play, creative activities, and social interactions. Our program values the unique strengths and interests of each child, and encourages them to develop their curiosity, creativity, and confidence. We strive to foster a sense of community and empathy among our students, and prepare them for future academic and social success.

Our Program

We provide Kindergarten preparation for both 3- and 4-year-olds that is age appropriate and stimulates curiosity and learning. Activities are tailored for each child based on their individual developmental needs. We emphasize parent communication, and welcome their engagement and participation.

Our program runs from September through May, following the Jamesville-DeWitt Schools calendar for holidays & snow days.

Hours are from 9-11:45 each morning.

Our dedicated staff is comprised of four experienced educators. All are members of our local community and often have been parents of the Bo-Peep program.
