Worship With Us Online or In Person

10:00am Sundays is our worship time. We have a solid group of in-person parishioners, and also regular participants on our Facebook services. To access the online service, visit the [Jamesville Community Church Facebook page](#), or click the link on our website. In case you miss it... worship services are archived on our Facebook page so we may access recent weeks at our convenience.

Worship resources are emailed each week so we may follow along online from home. If you are not currently receiving the weekly worship resources, please contact the church office to update your contact info.

Safety Measures

All are welcome to worship! We are observing safety measures out of love for one another: please self-patrol and do not come if covid 19 symptoms are present, or if exposed to positive cases. Masks are available in the gathering room and presently optional for indoor worship.

Gift Cards for Jamesville Elementary School

As part of our community outreach, we recently collected many generous donations to create the **#1 most popular** "Taste of Jamesville" Bursting Basket. Gift cards were purchased at local restaurants to doubly support our community! This annual basket raffle fundraiser supports the school's many extracurricular programs.

Many hands make light work!
